Leash Life

The free app for your pet's whole routine

Walks · meals · meds · notes — shared with everyone who cares for them

Set up your pet's routine before your first visit.

- One shared log for the whole household — feeding, meds, walks, quirks and vet notes.
- Hand it to your walker, sitter, groomer or daycare so nobody guesses on the evening dose.
- Dogs, cats, birds, reptiles, horses — every species.
- Free. Your data is never shown to advertisers.
